A1. WINTER PARK DISCOVERY CENTER – FLOORPLAN

WINTER PARK, COLORADO

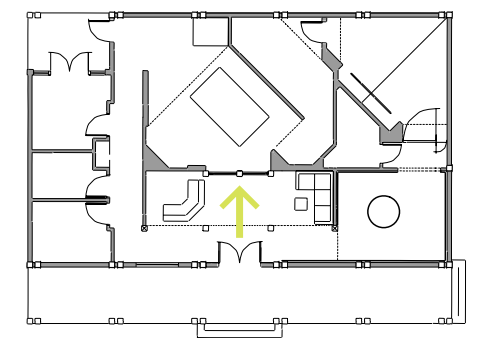

3 dimensional sculptural glass panels will be dramatically lit using Amber and teal theatrical lighting. (as per sample shown above)

Gobo will project "The Grit + The Glory" logo on the wall

Black and white photograph of the mountain will have frosted glass panel mounted in front creating a vignette

Furniture (desk, sofa, coffee table) will be fabricated in traditional "Mission" style using antiqued wood.

A1. WINTER PARK DISCOVERY CENTER – RECEPTION

WINTER PARK, COLORADO

PANTONE 425 GREY
77% BLACK

36"

Vinyl type (pearl in color) applied directly to painted wall and lit with a wall wash of light. Wall will be dramatically lit using Amber and teal theatrical lighting. (as per sample shown on previous page)

Paint Scheme:
Wall Color: Chipmunk

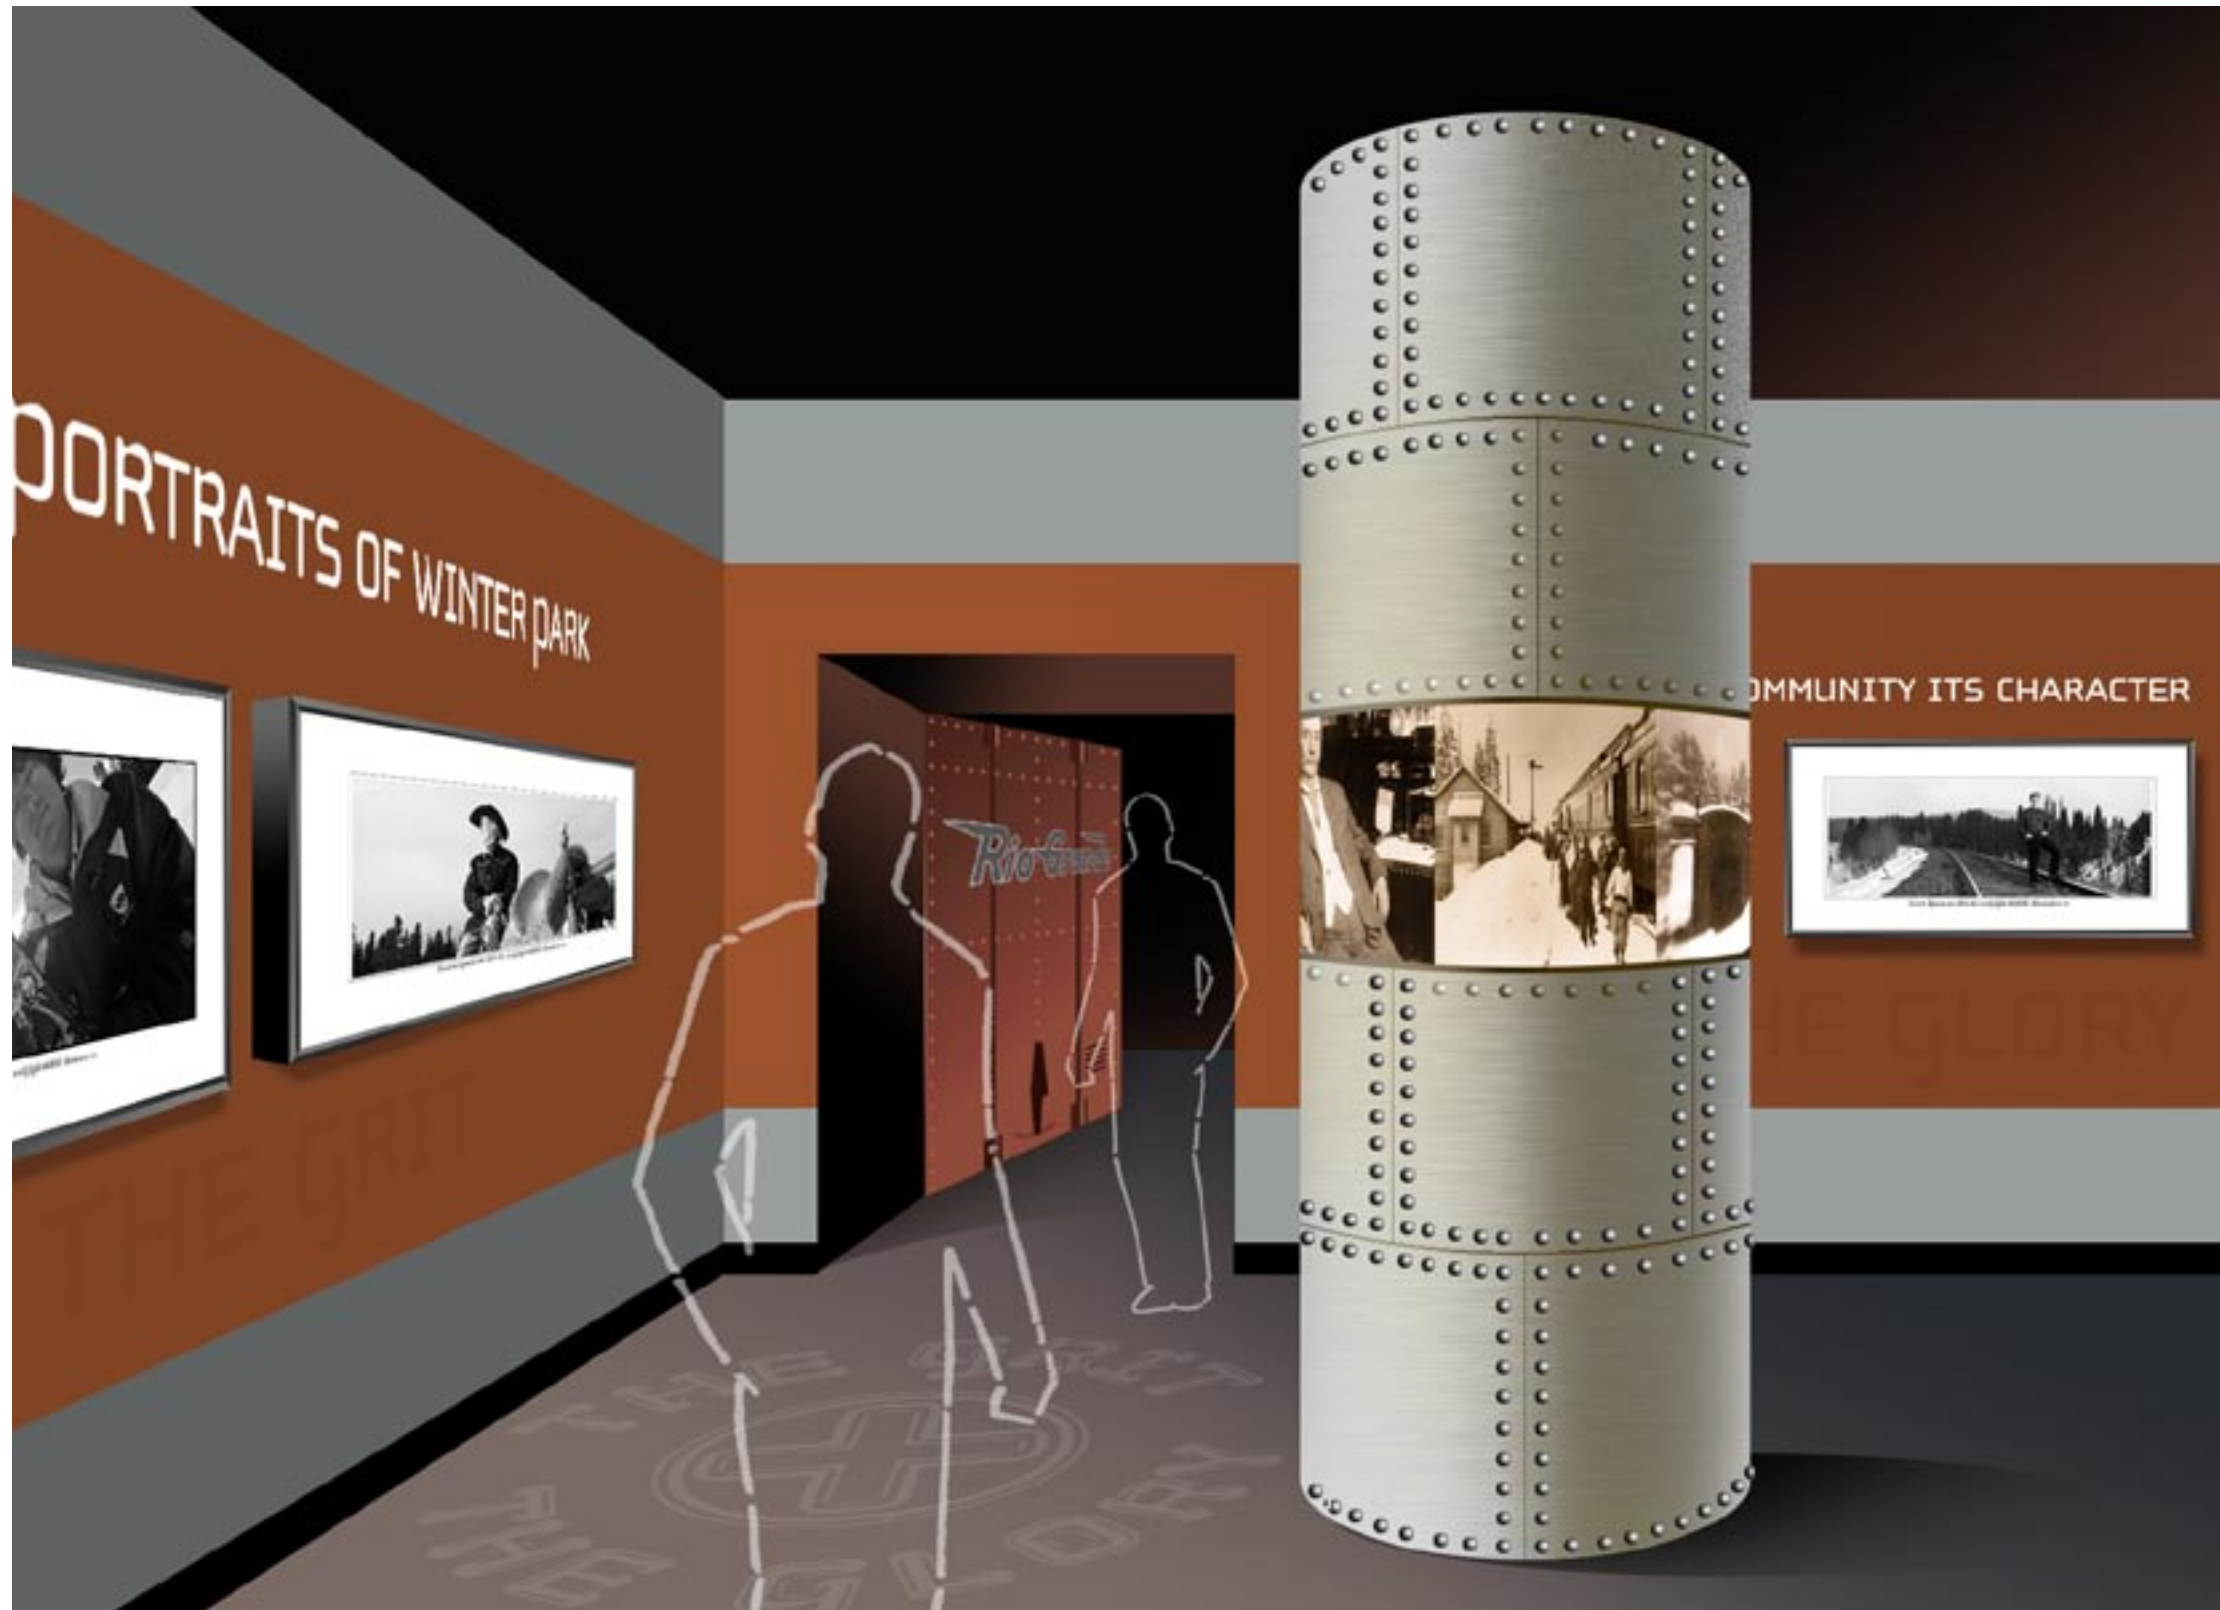

A3. WINTER PARK DISCOVERY CENTER – RECEPTION DESK

WINTER PARK, COLORADO

IT'S never BEEN a place
LIKE any OTHER place

The story of Winter Park is the story of Grit and Glory. A tight-knit community of rugged individualists, real people who live in a real place high in the Rockies they call home. One of the world's most monumentally beautiful settings that remains, quite possibly, the last surviving celebration of life in Colorado's high alpine

The pre-show gallery showcases the characters (past and present) of Winter Park. The contrast between past and present is exaggerated with the inclusion of "historical" artifacts (boiler, and boxcar door) The "Boiler" and the "Box Car door" will be fabricated to look as if they are authentic relics from the past.

Portraits will be of gallery quality "silver bromide prints" with a bright white 4" matt and a modern wooden frame. Each portrait will be captioned, see detail following page.

Images appearing around the boiler will be back-lit and captioned.

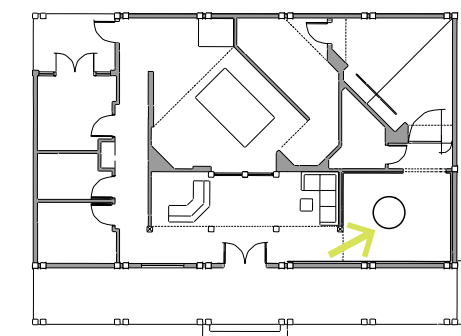

A theatrical gobo will project "the grit + the glory" logo onto the floor.

Gallery walls will be dramatically lit using Amber and teal theatrical lighting.

Varnish paint mask will display "The Grit" "The Glory"

Proposed copy for the walls: Portraits of Winter Park – a photo-study of ten of the remarkable people who give the community its character.

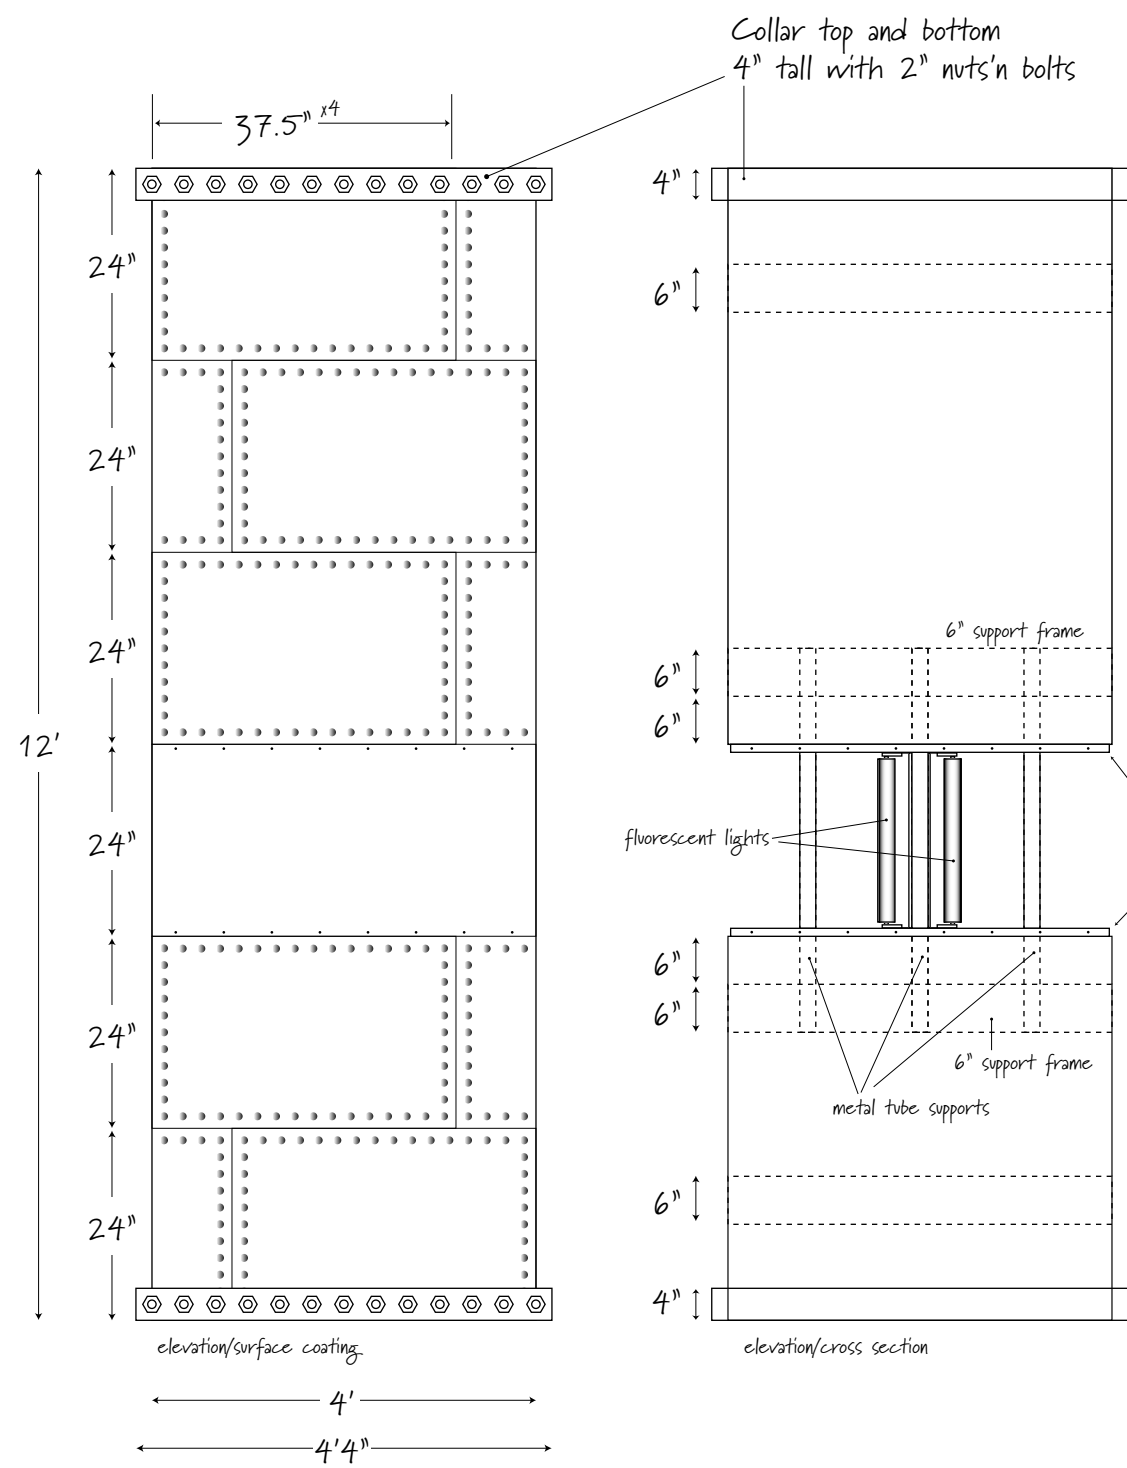

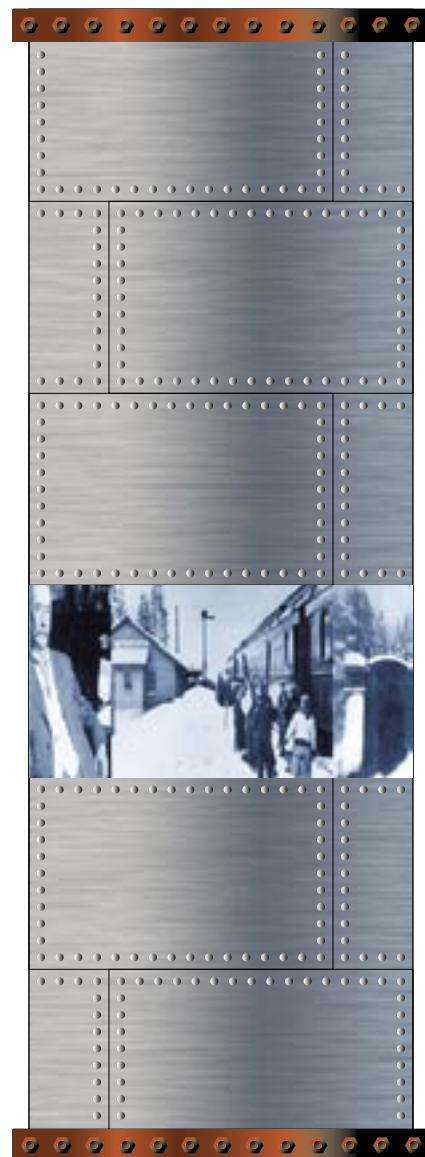

Paint scheme:
 Oak Leaf Brown - stripe
 Flint - top and bottom bands

A4. WINTER PARK DISCOVERY CENTER – PRE-SHOW

WINTER PARK, COLORADO

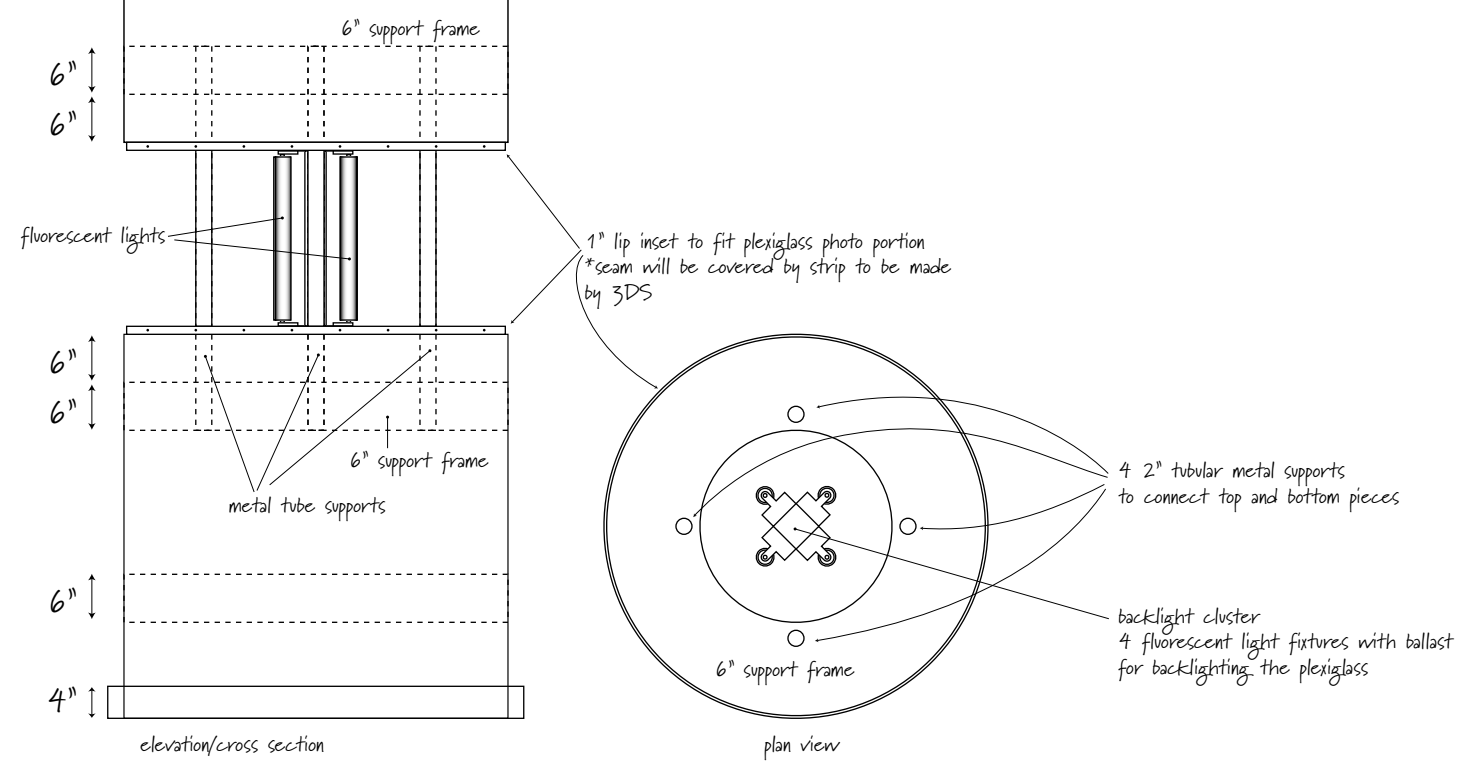

dimensions:
height = 12'
diameter = 4'
circumference = 12'6.72"

plate sizes = approx. 37.5"w x 24"h

surface : aged mild steel plates with 1" rivets

central backlit photo panel
height = 2' x circumference

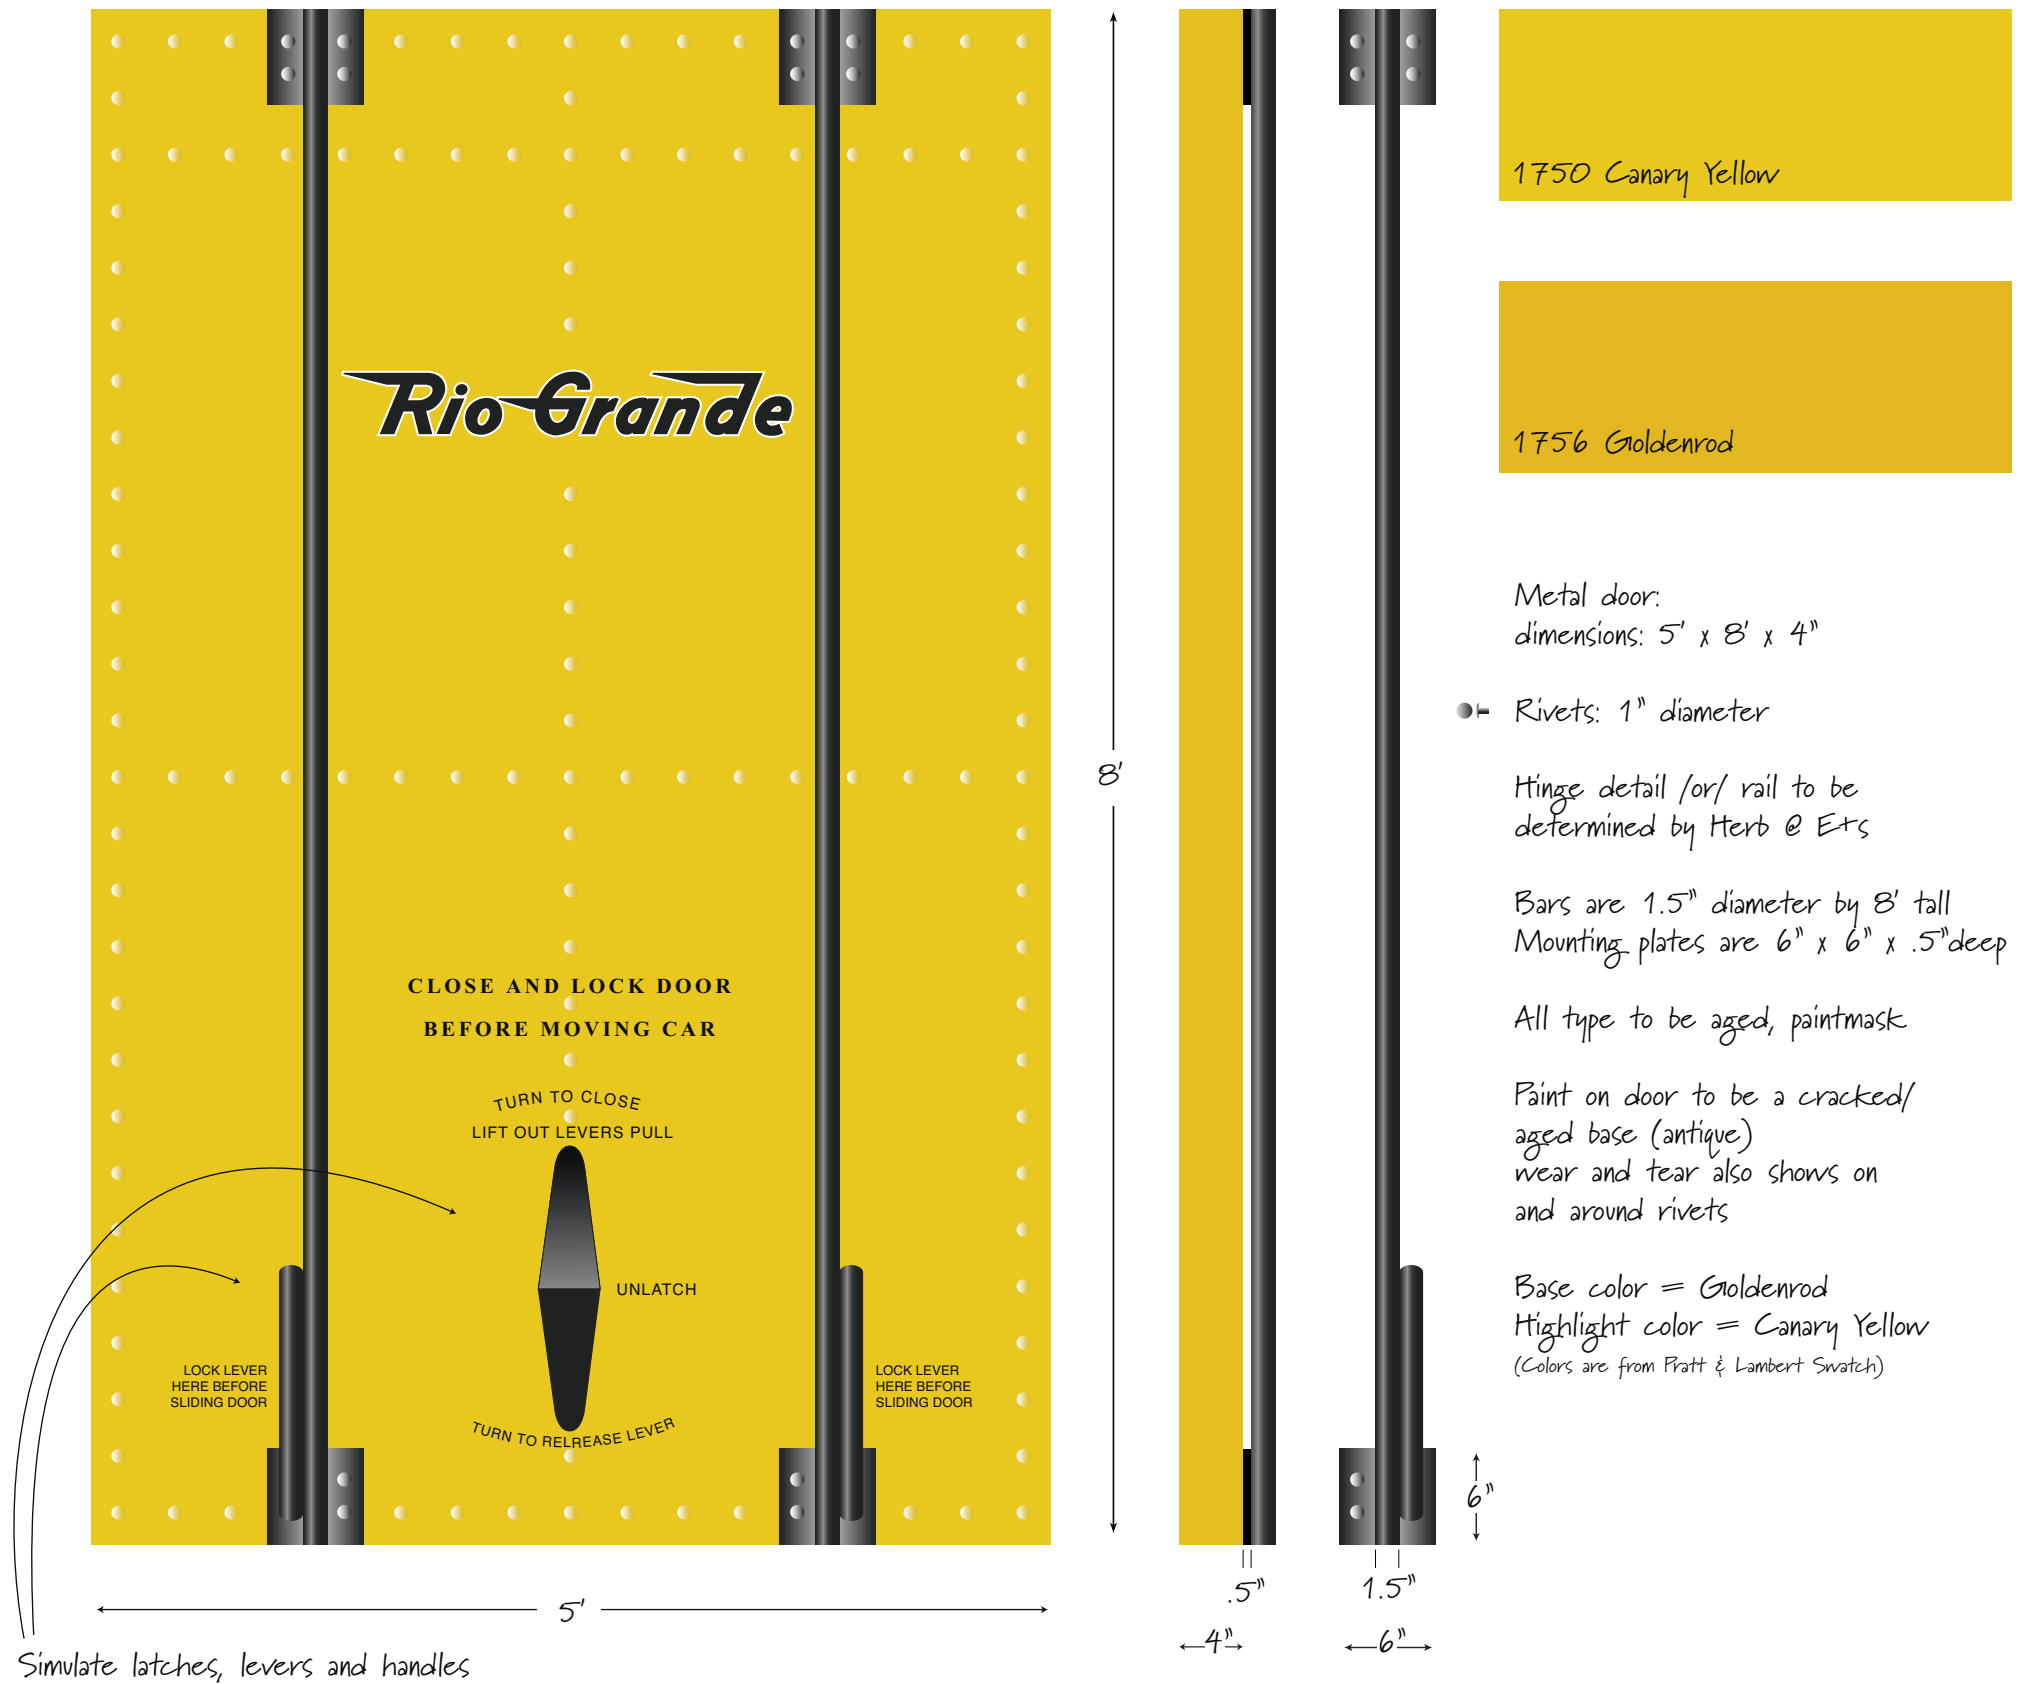

WP60 - PRE-SHOW BOILER PLATE PILLAR — WINTER PARK DISCOVERY CENTER

WINTER PARK, COLORAD

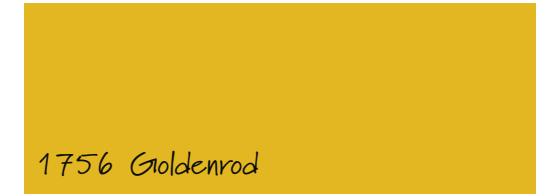

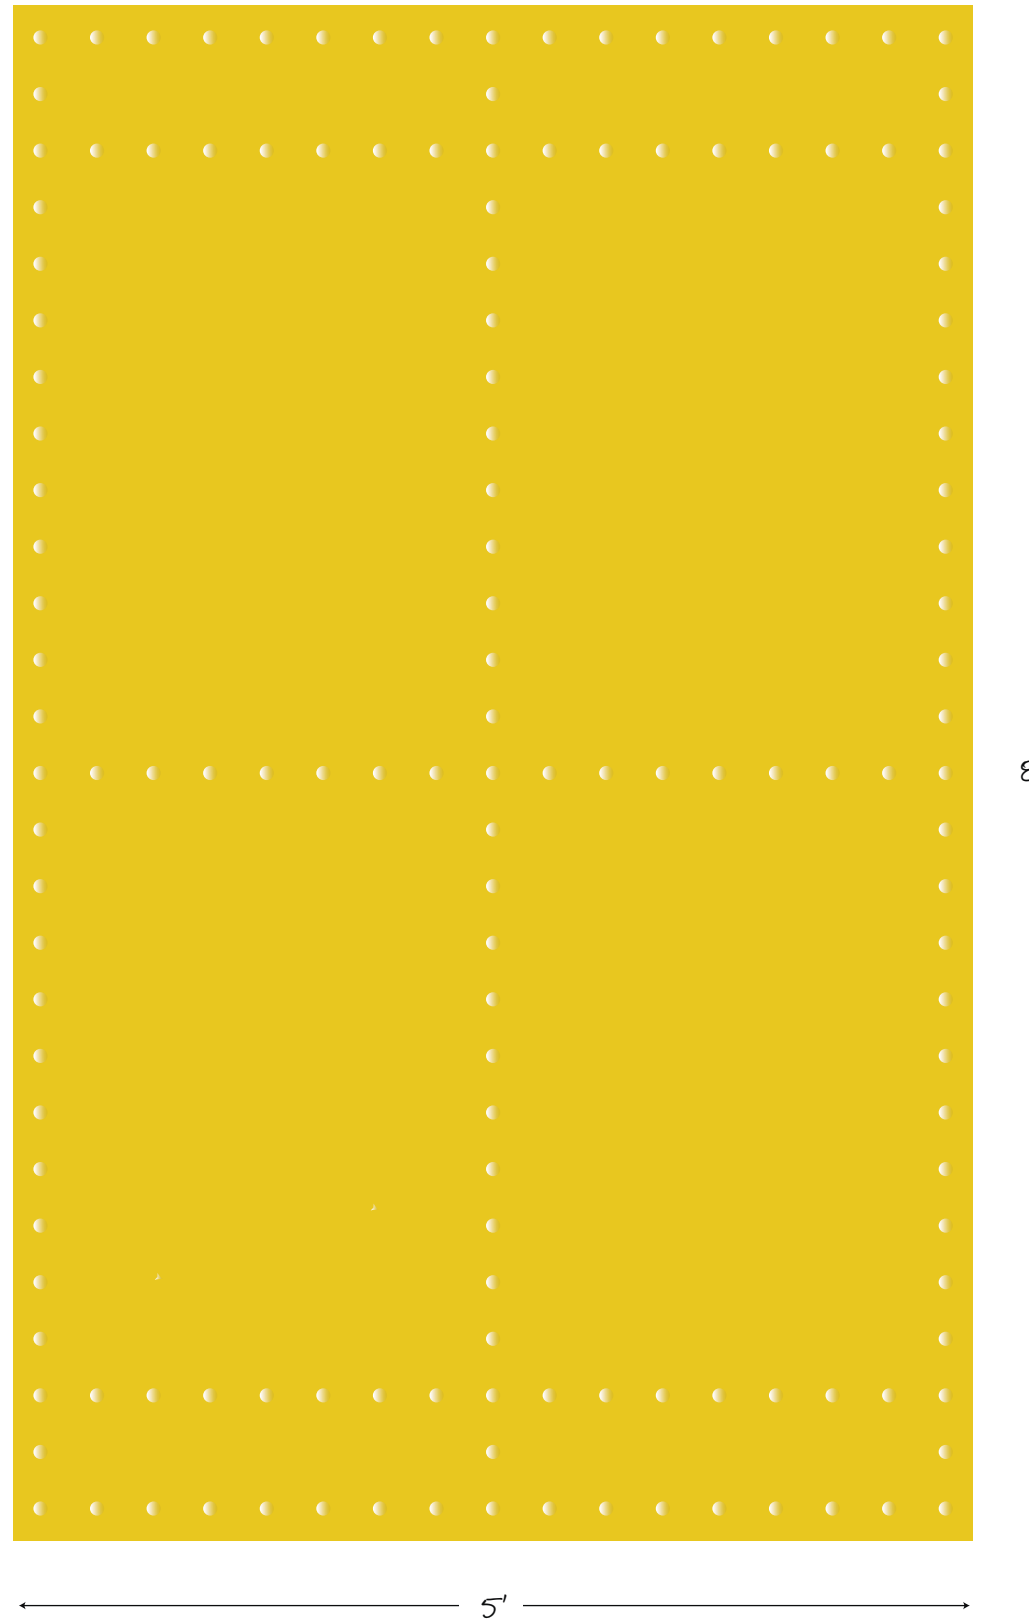

reference

WP70 - BOX CAR DOOR (front side) — WINTER PARK DISCOVERY CENTER

WINTER PARK, COLORADO

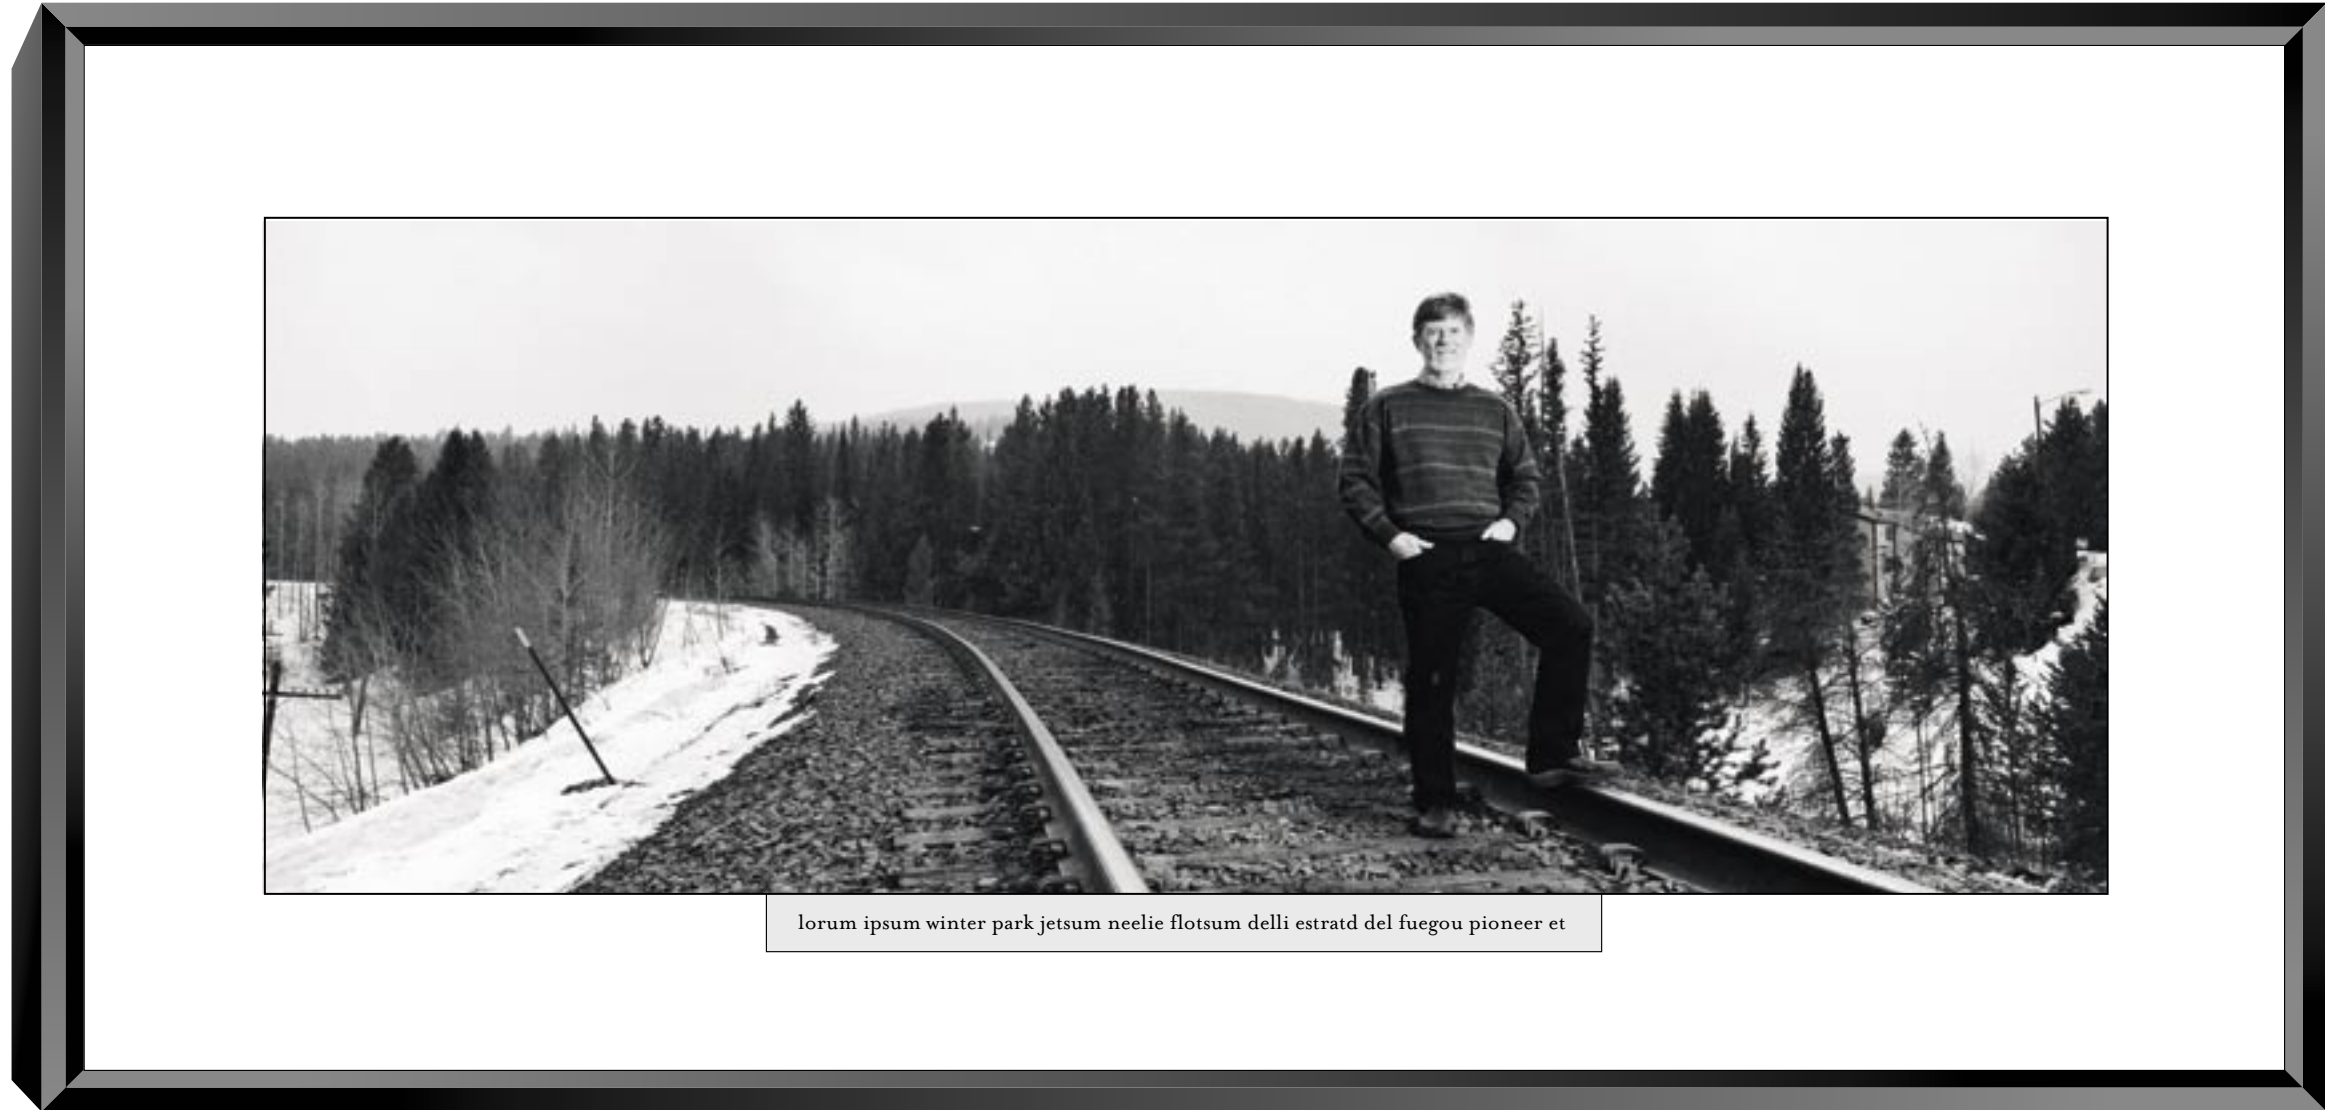

Metal door:
 dimensions: 5' x 8' x 4"

● Rivets: 1" diameter

Paint on door to be a cracked/
 aged base (antique)
 wear and tear also shows on
 and around rivets

Base color = Goldenrod
 Highlight color = Canary Yellow
 (Colors are from Pratt & Lambert Swatch)

Portraits will be of gallery quality "silver bromide prints" with a bright white 4" mat and a modern wooden frame. Each portrait will be captioned, as shown.

A6. WINTER PARK DISCOVERY CENTER – PORTRAIT FRAMING

WINTER PARK, COLORADO

The four differentiators for Winter Park will be illustrated using three-dimensional sculptures that will be crafted in a truly whimsical folk-art style. The supporting text will be displayed on metallic plates mounted 3 dimensionally to the wall.

The four differentiators are
"It's My Mountain"

"We're on top of the World"

"We're A true yet accessible hideaway"

Gallery walls will be dramatically lit using Amber and teal theatrical lighting.

Alternate Land Cruiser view

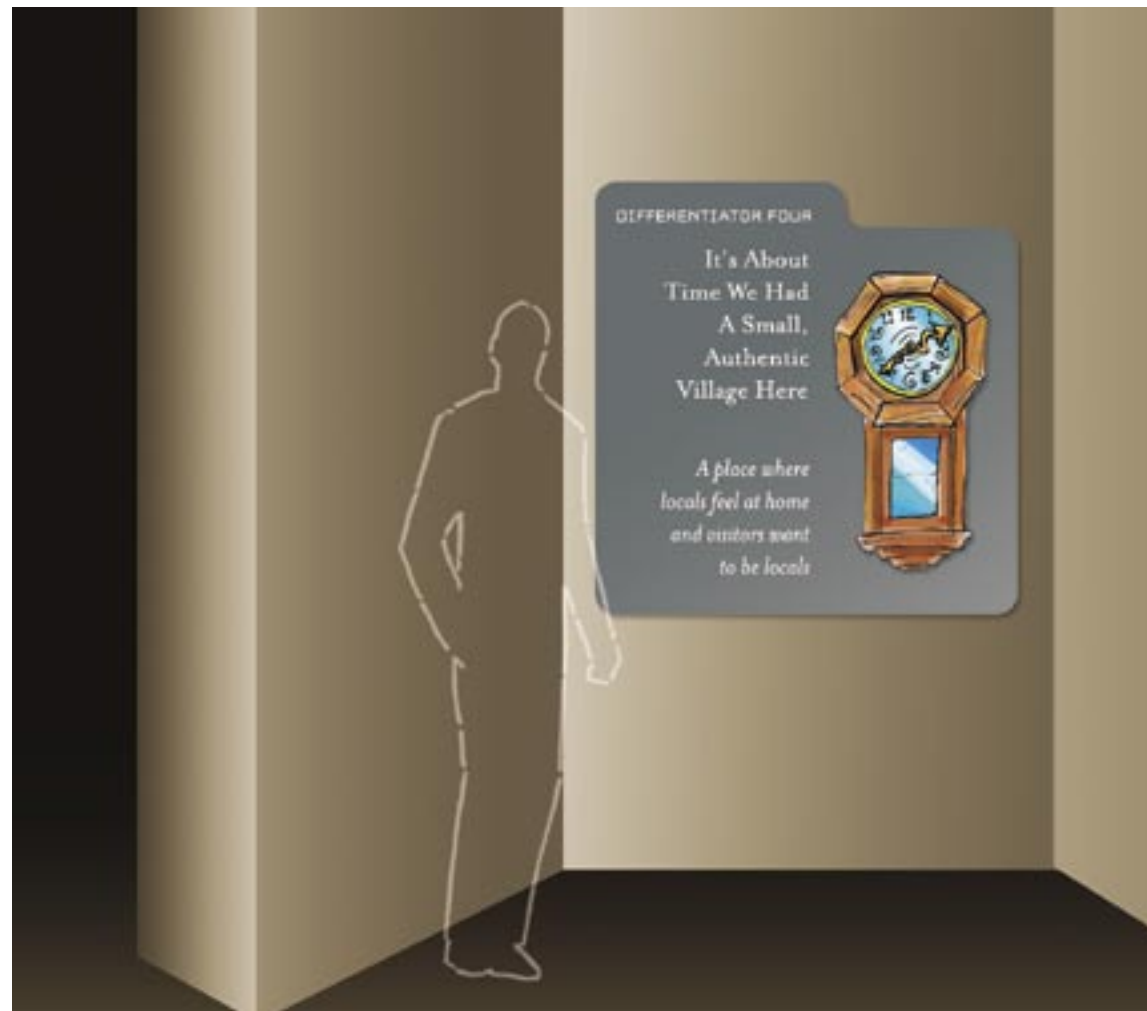

Paint Scheme:
Wall color: Toast
Ceiling color: Anthracite

A7. WINTER PARK DISCOVERY CENTER – DIFFERENTIATORS

WINTER PARK, COLORADO

The fourth differentiator for Winter Park will be a hand-crafted whimsical folk-art wall clock. The face of the clock will have a mirror, reflecting the image of the viewer.

The supporting text will be displayed on a metallic plate mounted 3 dimensionally to the wall.

It will read:

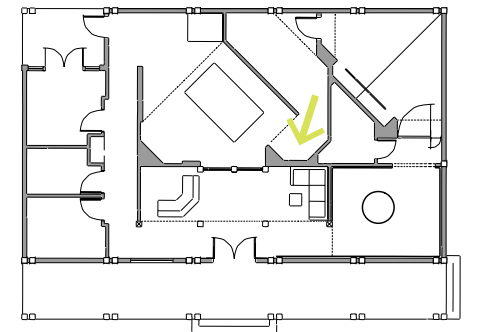

It's About Time We Had A Small, Authentic Village Here
(A PLACE WHERE LOCALS FEEL AT HOME AND VISITORS WANT TO BE LOCALS)

Gallery walls will be dramatically lit using Amber and teal theatrical lighting.

Paint Scheme:

Wall color: Toast

Ceiling color: Anthracite

A8. WINTER PARK DISCOVERY CENTER – DIFFERENTIATORS

WINTER PARK, COLORADO

DIFFERENTIATOR ONE

It's My Mountain

DIFFERENTIATOR TWO

We're On Top Of
The World

DIFFERENTIATOR THREE

We're A True Yet Still
Accessible Hideaway

DIFFERENTIATOR FOUR

It's About
Time We Had
A Small,
Authentic
Village Here

*A place where
locals feel at home
and visitors want
to be locals*

Color = Pantone 425 grey (77% black)

3 dimensional sculptural glass panels will be dramatically lit using Amber and teal theatrical lighting. (as per sample shown above)

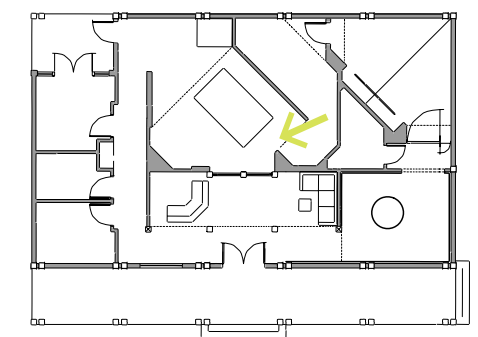

Large animated gobo will project "The Grit + The Glory" logo on the wall

The model base will be fabricated from old growth fir planks. The legs for the model base will be fabricated from mild steel with rivets.

Gallery walls will be dramatically lit using Amber and teal theatrical lighting.

Paint Scheme:

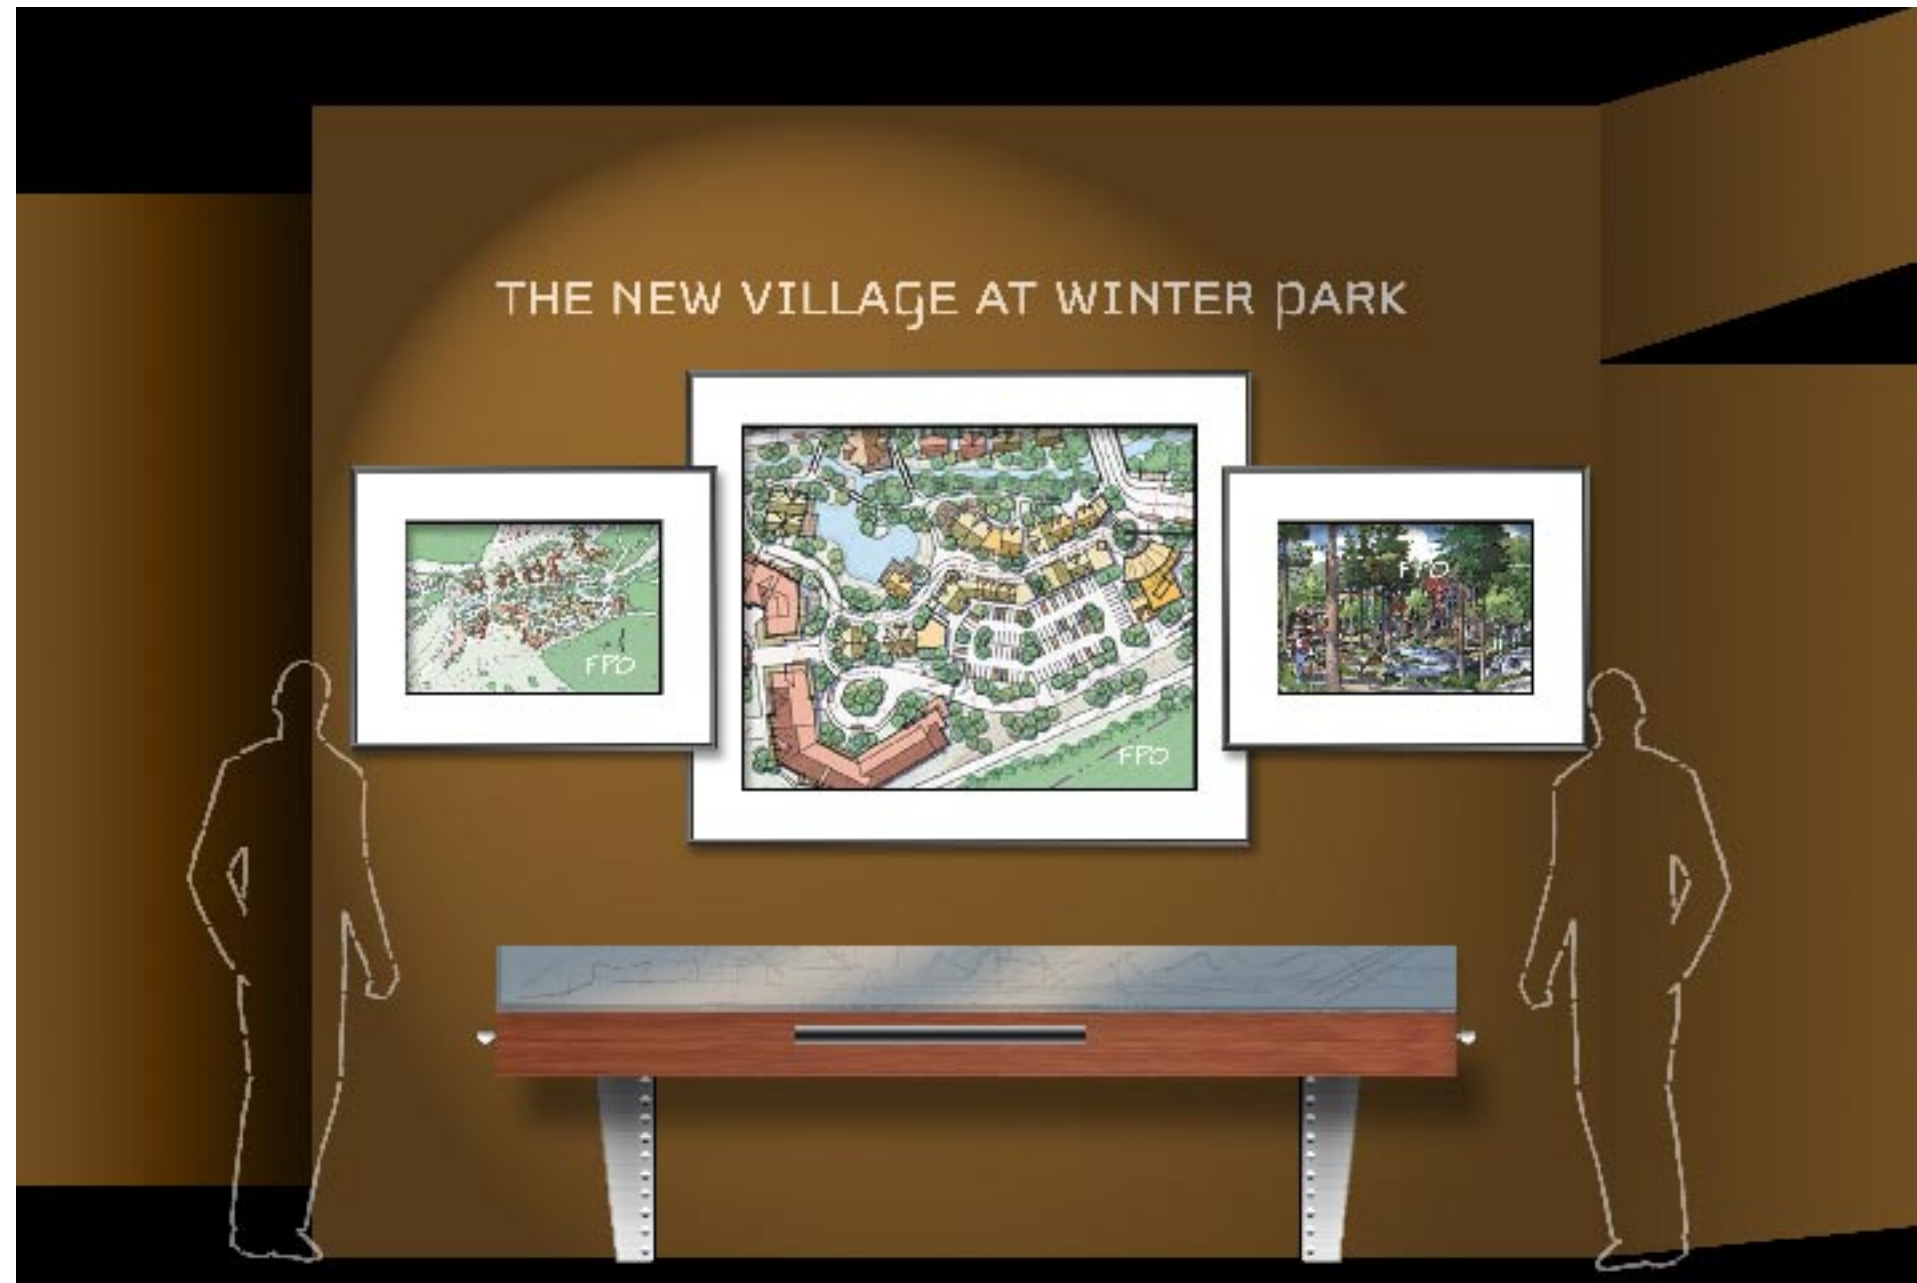

Wall color: Chipmunk
Ceiling color: Anthracite

A9. WINTER PARK DISCOVERY CENTER – EXHIBIT HALL

WINTER PARK, COLORADO

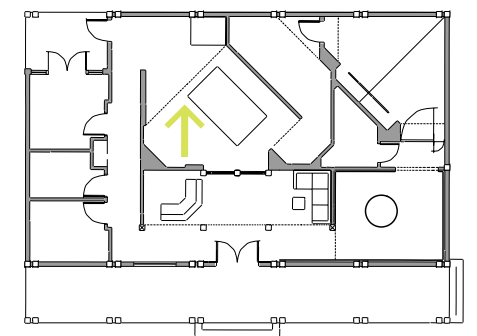

A new Masterplan is scheduled to be delivered to E+S in early June. Once received, the stylized master plan and supporting text will be mounted and framed using the same "gallery" style as the pre-show exhibit, utilizing a deep black wooden frame and wide white matt. The matt will be placed two inches in front of the art creating a shadow-box effect.

The supporting text will be displayed on a metallic plate mounted 3 dimensionally to the wall.

The model base will be fabricated from old growth fir planks. The legs for the model base will be fabricated from mild steel with rivets.

Gallery walls will be dramatically lit using Amber and teal theatrical lighting.

Paint Scheme:
 Walls: Chipmunk
 Ceiling: Anthracite

A10. WINTER PARK DISCOVERY CENTER – MASTER PLAN

WINTER PARK, COLORADO

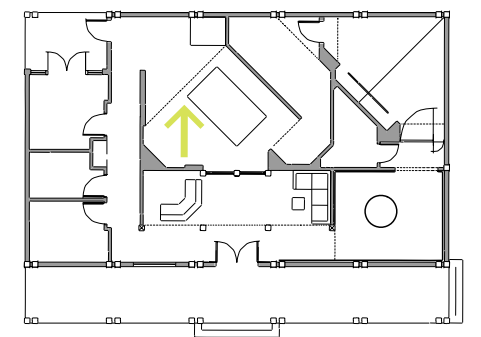

Once a final list of on mountain improvements are received they will be formatted into a dynamic, typographic poster that will help create symbiosis with the new Masterplan. (The success of one drives the other)

The model base will be fabricated from old growth fir planks. The legs for the model base will be fabricated from mild steel with rivets.

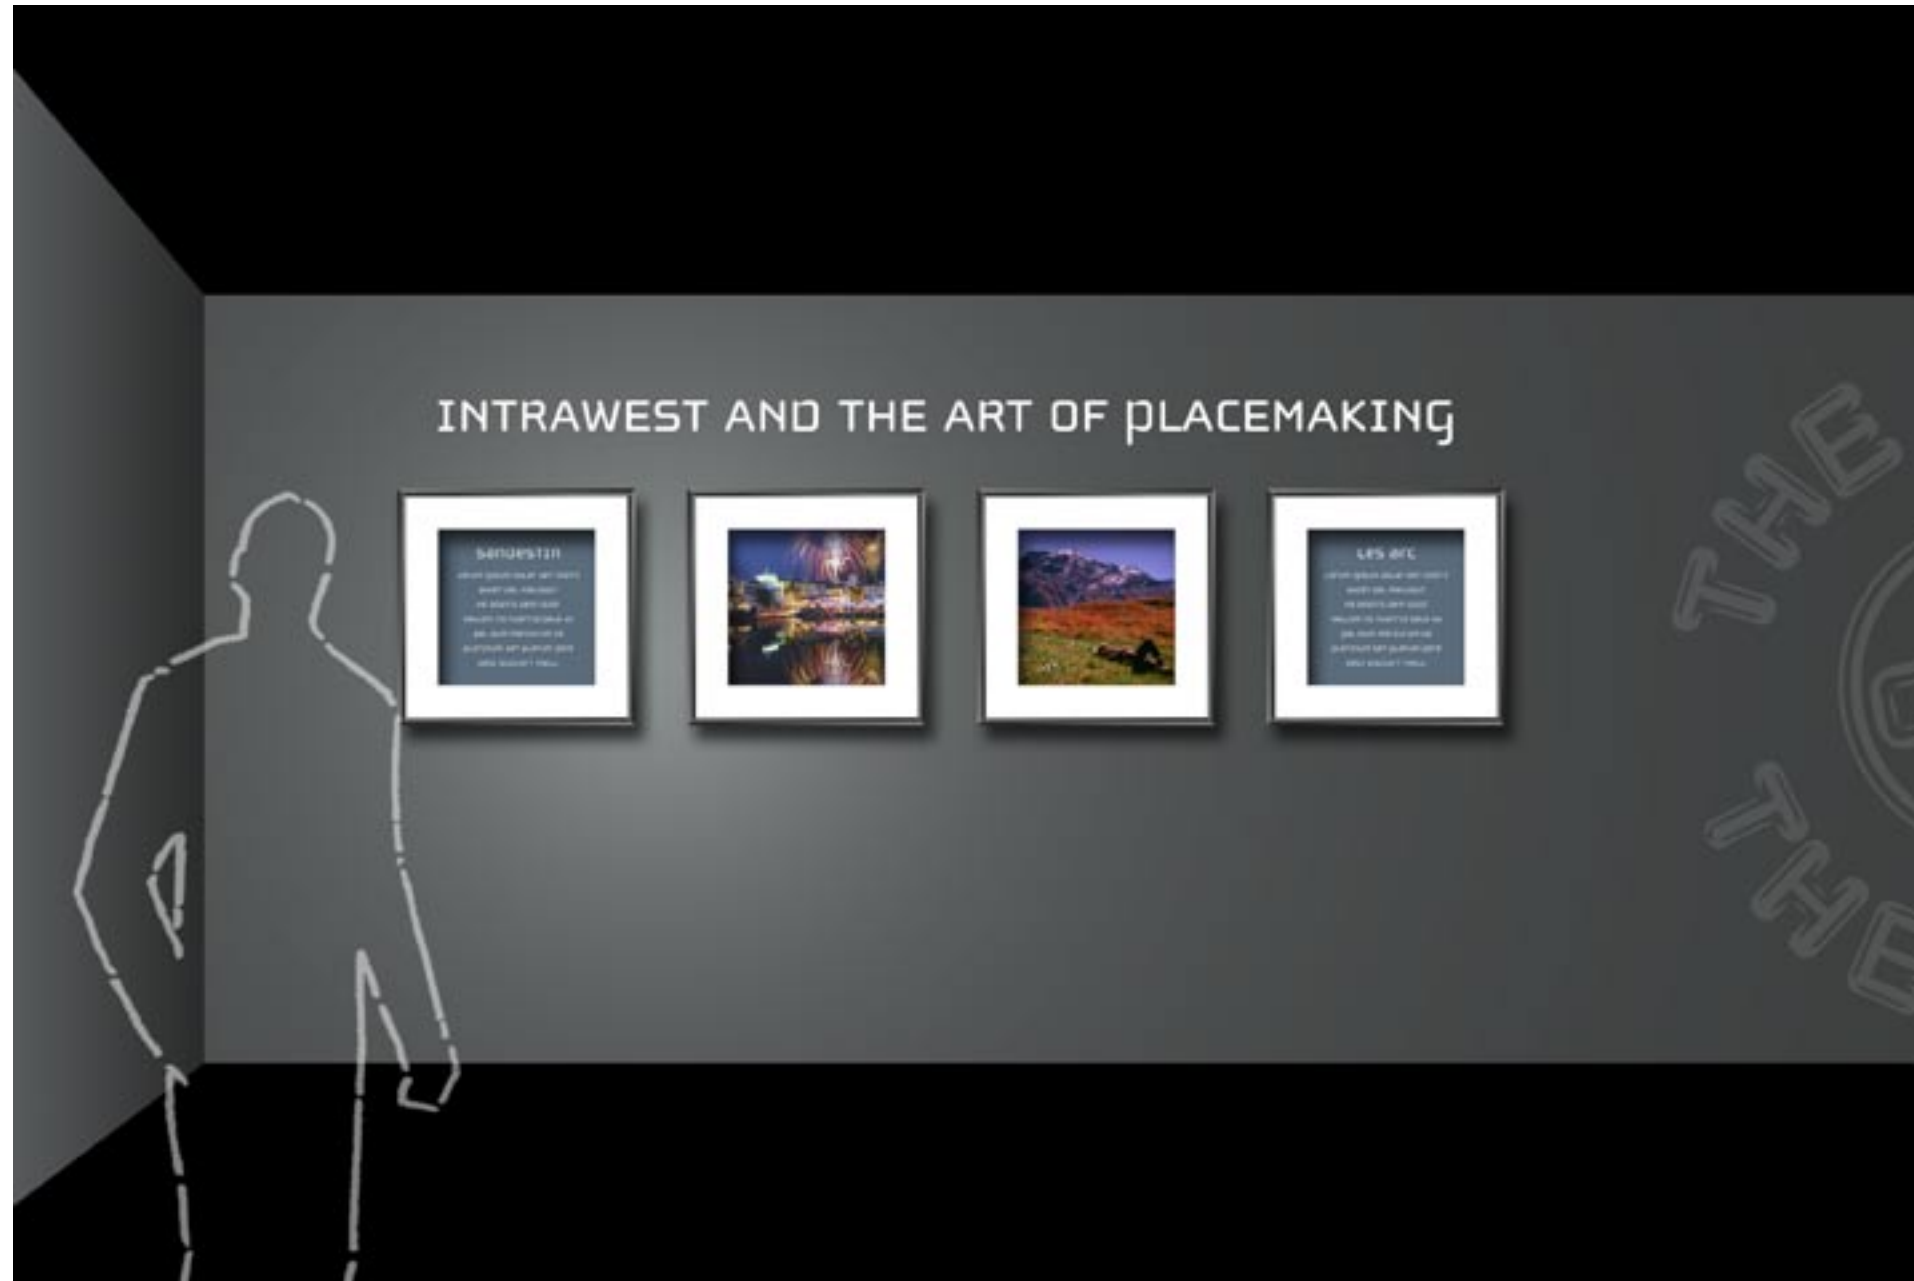

Gallery walls will be dramatically lit using Amber and teal theatrical lighting.

Paint Scheme:
Walls: Chipmunk
Ceiling: Anthracite

A11. WINTER PARK DISCOVERY CENTER

WINTER PARK, COLORADO

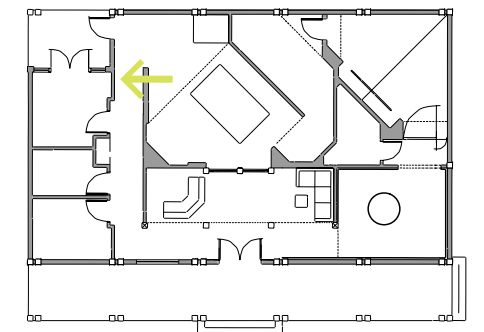

These four renderings will be 30" square, shadow box framed. Mounted at eye level and dramatically lit.

The captions for the renderings will be Vinyl type applied directly to the wall in a lyrical curved shape.

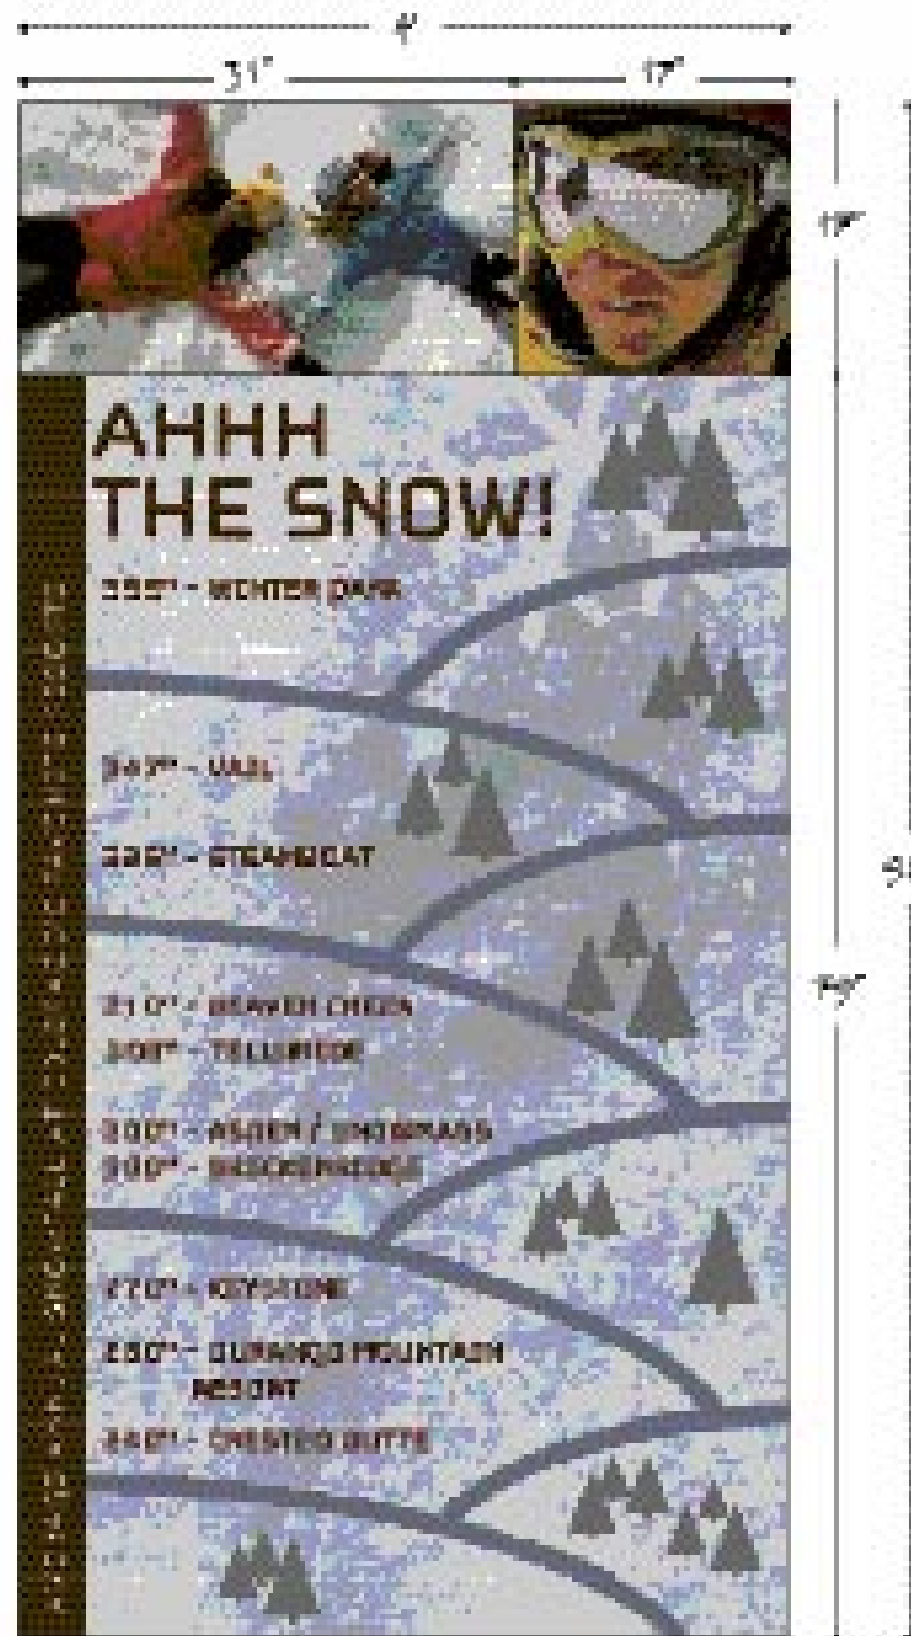

A Varnish paint mask will display "The Grit + The Glory" logo

Walls will be dramatically lit using Amber and teal theatrical lighting.

A12. WINTER PARK DISCOVERY CENTER – RENDERINGS

WINTER PARK, COLORADO

This floor to ceiling graphic panel is printed on 100 lb. hotset paper and laminated with a matte material.

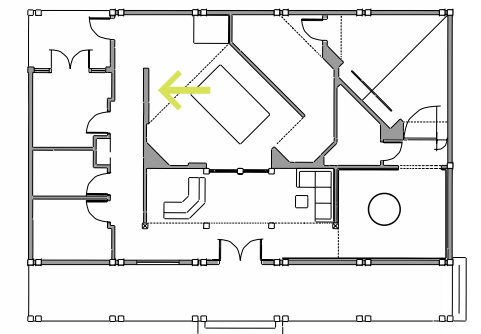

Graphic is a dramatic (almost life-size) the atmosphere of your Winter Park resort(s) nearby.

This graphic will be placed on the wall directly across from the vector plot with the 100 lb. panel in between.
